Hello Laverne

Thanks for giving me some info on this family.

I have over 2200 names in my tree.

I sure can use some help on the Guindon's Family Tree.

This picture is my family. It was taken on my wedding day in 1997. I'm the fourth one starting from left to right. I'm beside my dad Antonio Guindon.

My great grandfather Joseph Guindon was born Jan 18,1847 in Ripon, Quebec and died Jan 23,1924. He was married May 6,1872 to Marie Guenette, born May 31,1855 in St Lazare Co. Bellechasse, Quebec, moved to Ripon Quebec when she was two years old and died May 1,1922. Joseph was the son of Louis Guindon and Henriette Menard. Louis was born March 2,1818 and died May 27, 1904.

My father Cleophas Guindon was the son of Theophile Guindon and Mary (Sophrene) Parisien of Barry's Bay, Ontario. Cleophas was the eldest of six children, of whom I believe there is only one survivor (Gerald), who apparently has adopted his father's name Theophile. The other siblings were, Emma, Bertha, Gerald, Oliver and Louis. When I was in my late teens, I had seen a document addressed to my grandfather that was in my Aunt Bertha's possession, in which my grandfather's last name was spelled Yandea. I never did figure that one out, nor did anyone else have more info on the subject, including my father, when asked about it.

Editor's note:

*We know that many of the Guindon families that moved to the Hastings/Renfrew County areas in the 1800's had the Guindon name anglicized to Yandea, Yondau, Yandon, etc. This family connects to Danny Yandea of Hilton Beach, Ontario and Ron Florent of Madawaska, Ontario.*

## WHERE HAVE ALL THE YANDEAUS GONE?

The original French spelling of this name is Guindon. There are many variable spellings - Yandea, Yondau, Yedon, Yandon, Yandaw, Yando, etc.

In the 1851, 1861, 1871 census of Vankleek Hill, W. Hawkesbury Twp, County of Prescott I found the following family:  
Jerome Yedon and Veture Aubin and their children Francis, Xavier (Thomas?), Meril, Matilda, Sophia, Leon, Margret and Edmond.

Leonard Yandea's death certificate confirms that he was born in Vankleek Hill, Ontario. Through my research and with the help of Ruth Blackburn's information that her grandfather Thomas had a brother Frank, Leonard and Andrew, and sisters, Sophia and Margret, I believe this to be the family we are looking for. But, you say, how can Xavier be Thomas? It seems this family has many name substitutions.

This book has research on the Thomas (Tom) Yondau descendents and the Leonard Yandea descendents. As you can see Thomas spelled his name differently than his brother Leonard Yandea. And to make things more confusing Leonard named his son Leonard Thomas (Tom).

Thomas Yondau farmed in the Combermere, Ontario area around 1854 and his brother Leonard purchased land in the same area in 1877. Their children and succeeding generation have also been researched. In the 1891 census there is an Andrew Yandea family farming beside Leonard.

This book has a soft cover with perfect binding, fully indexed and is app. 350 pages, has numerous pictures, including Leonard Yandea and his wife Maryann Hoover and their son and six daughters, and Thomas Yondau's wife Martha Elcome and their six daughters and one son, (sorry no photo of Thomas Yondau yet) Each book will be numbered. When your order with the full amount is received you will be assigned the next consecutive No.

This is the 2<sup>nd</sup> and last printing of this edition - Includes Shipping & handling    PRICE \$50.00

Please send \_\_\_\_\_ copies of **"WHERE HAVE ALL THE YANDEAUS GONE?"**

For each copy I enclose \$50.00                      Total amount enclosed                      \$\_\_\_\_\_
