# GUINDON CONNECTIONS

From: Gerald Houle [mailto:sirgawain.gh@gmail.com]

To: Laverne Aitchison
Subject: Adolphe Guindon

It seems like a year now since I told you of a picture I had of the Adolphe Guindon family. I do know my great grandparents, Adolphe and Margeurite (Limoges) are seated at the left side. The couple standing at the back are my grandparents, Joseph Guindon and Marguerite Couturier. I'm not at all certain who the others seated are, but perhaps some of your members can identify them. Adolphe & Marguerite were married in Terrebonne (St. Eustache) Oct 18, 1853 by my records.
Warm regards, Jerry Houle, Garner, NC

Hi Laverne

With respect to the journal (46) commentary on Adolph Guindon and Marguerite Limoges, these two were my great grandparents. Their son, Joseph, married my grandmother Marguerite Couture of Belle River, Ontario sometime in the 1870s. I know a lot about them and I have researched their lines all the way to the Filles du Roi level, but I've never been able to find a record of their marriage , at least not in Bay County, Michigan records. I did find baptismal records for both. Joseph was brought to Bay City from Terrebonne, Quebec as a child by Adolph and Marguerite. There is a (Bay City) city directory of about 1878 showing them living at a local address, where both Marguerite's mother Zoe Brisebois, and younger brother, Louis Couture are living at the same address. Also, there is one infant girl indicated that I have never found any other record of. My mother always told me that her brother Phil was her oldest sibling. Meantime, if you can think of anyone who could suggest where I might look for the marriage record of my grandparents Joseph Guindon and Marguerite Couture, please provide a way for me to contact them.

Thanks, Jerry Houle

*(Please get in touch with Jerry Houle if you can help him find the marriage for*

# GETTING TO KNOW OUR GUINDON ARTISTS!

## FAYE E. BOYCHUK *(Great grand-daughter of Leonard Thomas (Tom) Yandeau and Elize Jourdain)*

## Watercolour and Acrylic Artist

Since childhood, I have had an interest in art.

Born in Edmonton, Alberta, I completed high school in Sherwood Park, Alberta specializing in Commercial Arts under the excellent tutelage of Olfert Grundholm (Mr. Grundy).

Art classes with Edmonton artist, Jean Richard and at NAIT, influenced my young adult years.

In March 2006, while admiring a painting done years earlier, a friend asked, "Why aren't you painting?" Weeks later, I attended the first of many classes with Willie Wong.

In December 2006, I sold my first commissioned painting. I have shown and sold at The Edmonton Art Gallery, The Tribute to Deb Maron Art Show & Sale and The Kamena Gallery Student Show.

In October 2014, I won first place for acrylic on canvas in the Art Trends competition.

The painting 'Reflejos de la Luna' promptly sold. There are limited edition prints available.

I am proud to have been featured in Mosaic, Mind, Body and Spirit magazine.

I am enrolled in the Faculty of Extension Fine Arts Certificate program at the University of Alberta and have been a member of the **Art Society of Strathcona County** (ASSC) since 2007.

My zeal for Latin culture has impelled me to name my paintings in Spanish.

Thanks to the support and encouragement of friends and family I continue my passion.

## JEAN-YVES GUINDON

Self-taught (Great grand son of Isidore Guindon and Eva LePage)

Native of Buckingham, Québec, Jean-Yves Guindon has basked in the arts since childhood. In 1984, he quit his job as Director of the Gatineau Airport in order to pursue his passion for art. At age 34, he opened an art gallery in Gatineau with the support of his wife, Jeannette. The growing demand for his paintings brings the self-taught artist to settle in Saint-André-Avellin in 1990. This move nurtures his creativity and imagination. The muse is present and his paintings evolve.

His works illustrate bucolic scenes, landscapes, and poetic scenes shaped by his imagination and emotions.

In his 31 years of creating 4100 watercolours, Guindon has managed to develop a vision and unique style steeped in atmospheres, impressions and magical moments.

His 'bright and sensitive' watercolours are well received by the artistic community and are sought after by many collectors. His artistic works are renowned in Canada and Europe. Guindon is also honoured by his peers and acclaimed by the media. In 2009, the artist was awarded the Order of Gatineau, the highest distinction of the city. Three years later, the Université du Québec in Outaouais awarded him a doctorate Honoris Causa. In addition, the International Academy of Fine Arts of Québec appointed him "Master in Fine Arts".

Guindon has earned his living exclusively from his art since 1988.

His watercolors are exhibited in his private gallery in Saint-André-Avellin in the Petite-Nation in Outaouais.

## Société de généalogie de Saint-Eustache

We would like to show our appreciation to Jean-Marie Marquis of the SGSE and the president Jean-Claude Payette of the St. Eustache Genealogy Society for recognizing our Guindon family heritage at our Guindon reunion September 2015. Jean-Marie Marquis presented the power point history of the Guesdon/Guindon from France to New France which you can access by clicking on the link Pierre-Guesdon from France to New France

Some of the Guindon reunion attendees were given a tour of the SGSE library by Jean-Marie. It was very educational and we were impressed by the state of the art classroom where their classes are held. Their latest presentation was on the German immigration in Québec 1600-1800.

Vienne Archives

The departmental archives of Poitier, Vienne, France holds a large collection of historical records. There is an alphabetical listing of all occurrences of a family name, with the code, page and column in which it appears. By using the index booklet E4 S3 501 pictured to the left we were able to find the Guindon reference to the wills.

Unfortunately, it of course was all in French and time was not on our side.
To my knowledge the will records have not been digitized.
In my hand was the actual wills for the year 1694 but when did Francois Guesdon write his will?
Did he write his will in Jan of 1694 or sometime in late 1693 or early 1694 when he knew he was going to die??
Or did he have a will??

Our visit to Loudun, France corrects some of the discrepancies in the Guesdon/Guindon records in past Guindon Newsletters.
